

# PENNSYLVANIA OUTDOOR CORPS

# SUMMER YOUTH PROGRAM

AGES 15-18

**PROGRAM DATES:** June 29 - August 7, 2026

## LOCAL CREWS

Crews work in small teams over six weeks on diverse conservation projects like trail maintenance, plantings, invasive species control, and infrastructure maintenance in nearby State Parks and public lands. Meeting at a central location each morning, crews commute together to the project site in a program vehicle. Projects vary each year, so participants should be adaptable, team-oriented, and committed for the program's full duration.

## WHAT YOU'LL GAIN

- **Paid work experience**
- **Job Readiness Skills**
- **Peer Networking**
- **Exposure to career paths**
- **Conservation work experience**
- **Skill sets: teamwork, problem solving, tool use, and more**
- **Greater knowledge of State Parks and environmental topics**
